Co-create. Connect. Innovate.

Shaping new project ideas between space & non-space industries

The annual event of the
ESA InCubed Ambassador for Italy

12th June

Centro Congressi Cavour

Via Cavour 50a – 00184 Roma

5 mins walking from Termini Train Station

A full-day co-creation workshop bringing together ESA, ASI, Φ-lab, start-ups, SMEs, industry leaders, investors, clusters and non-space companies to connect Earth Observation capabilities with real market needs.

Objective

Identify concrete collaboration opportunities and shape innovative business ideas that can be further supported by the ESA InCubed Ambassador and matured through the ESA InCubed programme.

What to expect

- High-level roundtable to frame cross-sector challenges and opportunities
- Thematic co-creation sessions to scope needs and identify collaboration areas
- Networking across the Earth Observation value chain
- Optional face-to-face sessions to explore project ideas within the ESA InCubed framework

To attend, registration is required. Scan the QR code to fill out the registration form.
